Discussion of Draft Design Guidelines

The Committee was joined by Main Street Brunswick staff and board members. The group discussed the draft design guidelines. The comments offered by Main Street are as follows:

1. Describe exiting resources for to property owners, such as where to find historic photographs, tax incentives, etc.
2. Item 1.2 – Add a statement concerning murals / public art.
3. Item 2.6 – Identify who decides when replacement is necessary
4. Item 7.6 - Reword for clarity; the doors are not at a 30% angle.
5. Item 13.2 - Reword to remove “massive scale” which is subjective.
6. Item 15.4 – Clarify that this item applies to privately-owned trash containers
7. Consider adding subheadings in some of the longer sections, like a Shutters subheading within Doors and Windows.
8. Question – Are new doors and skylights addressed?
